Marketing Plan For Miss Local: The best way to convince people to become involved in an organization is to provide them with evidence that the organization is successful in achieving its goals. The Miss Local's Outstanding Teen Program was created to give teens an avenue to develop their speaking skills and a forum to present their talents and viewpoints. As Miss Local's Outstanding Teen 2007, I would market the organization by making appearances and speaking at schools to demonstrate how the experience of being involved with the Miss America Organization can help shape young women to become well-spoken, confident, and active in their communities.

Legacy: I want to be known as the Miss Local's Outstanding Teen who changed the way that people perceive teenagers. Although teens do not always portray themselves in the proper light, I want the state of "State", my peers, and the Miss Local Organization to reflect on my year of service as a Miss Local's Outstanding Teen who proved that teenagers can make a huge difference in every community.

Why I should be Miss Local's Outstanding Teen 2011: I would be a good choice for Miss Local's Outstanding Teen because I possess the speaking skills, talent, confidence and poise that it takes to be a state titleholder. Also, I would love to have the opportunity to utilize the title of Miss Local's Outstanding Teen to promote my platform of "*Teenage Volunteerism - Bridging the Generation Gap*" throughout the state.
